

Gentle Dove Farm and Canandaigua Equestrian Center proudly announce our Happiness House TRAIL TRIAL! Put your trail experience to work in this low-key competition! Sunday, September 26, 2010 held at 5275 Parrish St. Extension, Canandaigua, NY 14424. Proceeds will benefit Happiness House, which offers programs and services for children and adults with disabilities. A Trail Trial consists of an un-timed ride with 6-10 judged obstacles that appear along a trail of several miles. There is a judge at each obstacle that compares the way the horse and rider meet the obstacle with a standard. Riders are judged on their skills and abilities to guide their horses through the obstacle course. There are no time requirements and the participant is only judged while negotiating obstacles, with the pace of the trail ride at the choice of the rider. Come join us with your horse, get lots of pledges for a great cause, and enjoy trails through fields, up hills, and through woods, while negotiating fun Trail Trial obstacles! A \$50 pre-registration entry is required by September 19th with pledges due the day of the event. Sign up early as the Happiness House Trail Trial will be **limited to the first hundred entries!** Have a great ride for a great cause! Come watch for FREE.
